

The University of Strasbourg,
The Faculty of Chemistry
The International Center for
Frontier Research in Chemistry

in collaboration with
the Autonomous University of Barcelona and
the Rijksuniversiteit Groningen

The First Strasbourg Summer School CHALLENGES IN SUPRAMOLECULAR CHEMISTRY

from 8 to 12 September 2014,
at the Institut de Science et d'Ingénierie
Supramoléculaires (ISIS)

Confirmed Lecturers:

H. Anderson

M. Fujita

J.-M. Lehn

M.W. Hosseini

S. Otto

J.-P. Sauvage

J. Veciana

M. Venturi

T. Ward

Chairman:
Jean-Pierre Sauvage
Director:
Mir Wais Hosseini
