Would you like to be tested or vaccinated?
Temporary testing and vaccination centres are set up on the University of Strasbourg campuses in September. **The tests and vaccination are free for students**. You will need to provide your Health Insurance certificate of entitlement or a document proving that you are a student (student card, certificate of enrolment in a higher education establishment, long-stay visa with the word «student» on it).

I was vaccinated with a vaccine approved in France, and I would like to obtain a health pass (pass sanitaire) in France

If you were vaccinated in one of the following countries : EU member countries, Andorra, Iceland, Liechtenstein, Monaco, Norway, United Kingdom (England and Wales only) and Switzerland, you can obtain the EU digital Covid certificate.
In France, it is available in the **TousAntiCovid application**.

#Tous AntiCovid

If **you received your vaccination outside these countries,** you can :
- Visit the **CPAM (Caisse primaire d'assurance maladie) stand** located at the village services during the 'Agora de rentrée', from 6 to 17 September, on the Esplanade Campus in the Hall du Patio;
- Go to the **temporary testing centres** on the University of Strasbourg campuses ;
- Contact the University Health Service (Sevice de santé universitaire) by e-mail at **sante.etudiants@unistra.fr** .

I have never been vaccinated

Go to the **temporary testing centres on the University of Strasbourg campuses** to take a test. After the results of the test, if necessary, you will be oriented towards the temporary vaccination centre.

I am a non-EU citizen or I was vaccinated outside the EU, and I would like to obtain a health pass

Anyone vaccinated outside the EU or tested negative can **obtain a pass by requesting the conversion of the foreign vaccination certificate into the French health pass.**
Fill in the online application form at **www.demarches-simplifiees.fr/commencer/passe-sanitaire-francais-de-l-etranger**
Please enclose copies of the following documents, in electronic form only :
- Your vaccination certificate, issued in compliance with the rules of the country of vaccination and clearly stating the type of vaccine used ;
- Your identity document (valid passport or identity card) ;
- Your proof of residence abroad (driving licence or utilities bills indicating the address of your residence abroad, residence visa for the country of residence or foreign residence permit or consular ID card, etc.)

If you are the spouse or child of a French national :
- A valid copy of the identity document from the country of which you are a national ;
- Proof of the legal relationship with your spouse or parent of French nationality (copy of marriage certificate or family record book, certificate of civil partnership (Pacs), birth certificate showing the registration of the Pacs, birth certificate of the child).

> 🔍 Documents drafted in a foreign language must be submitted with a certified translation into French.
